

# WRITTEN COMPLAINT

|                            |                                                                                                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Complainant:               | Neha Patil                                                                                                                                                                        |
| Police Station:            | Shivaji Nagar Police Station                                                                                                                                                      |
| Date:                      | 14 August 2026                                                                                                                                                                    |
| Occurrence:                | 14 August 2026 at approximately 20:35                                                                                                                                             |
| Location:                  | Senapati Road junction, Pune                                                                                                                                                      |
| Vehicle:                   | MH-12-AB-4821                                                                                                                                                                     |
| Person complained against: | Rohan Mehta                                                                                                                                                                       |
| Victim:                    | Amit Kulkarni                                                                                                                                                                     |
| Statement:                 | I was present near the junction and saw the vehicle approach the crossing. After the collision, I called for assistance and remained at the scene until police personnel arrived. |
